AERIAL PHOTOGRAPHY STATUS MAP
 COMPILED BY
 U. S. DEPARTMENT OF AGRICULTURE
 COMMODITY STABILIZATION SERVICE
 JANUARY 1, 1957

LEGEND

Photography not identified with the letters F or S was secured by the Commodity Stabilization Service

F - Secured by Forest Service

S - Secured by Soil Conservation Service

NP - No USDA Photography

49 - Year Photography of County Secured

 Outlines Partial County Coverage

 Area Under Contract For CSS unless otherwise designated by footnote.

Latest existing U. S. Department of Agriculture aerial photographic coverage is shown.

CSS photography secured at a scale of 1:20,000 with 8-1/4 inch or longer lens and on panchromatic film unless otherwise noted. Ratioed enlargements are available for practically all this photography.

Requests for information regarding CSS aerial photography in eastern and western states shown graphically below should be addressed to:

Western Laboratory
Performance Division
Commodity Stabilization Service
U. S. Department of Agriculture
167 West Second South, Salt Lake City 1, Utah

Eastern Laboratory
Performance Division
Commodity Stabilization Service
U. S. Department of Agriculture
Washington 25, D. C.

For information concerning SCS Photography, Address inquiries to:
Director, Cartographic Division, Soil Conservation Service, U. S. Department of Agriculture
Washington 25, D. C.

Inquiries and orders for Forest Service Photography in the western United States within the respective numbered regions as shown on the map to the right should be addressed to the Regional Forester, U. S. Forest Service as follows:

1. Federal Building, Missoula, Montana
2. Federal Center-Bldg. No. 85, Denver, Colorado
3. 510 Second St. N.W., Albuquerque, New Mexico
4. Forest Service Bldg., Ogden, Utah
5. 630 Sansome St., San Francisco 11, California
6. Post Office Box 4137, Portland 8, Oregon

For eastern United States, not shown on map at right, address: Chief, Forest Service, U. S. Department of Agriculture, Washington 25, D. C.

Older Photography than that shown is available in many instances. If such coverage is desired, inquiries about its availability may be directed to any of the Addresses shown above. Information concerning areas under contract may be secured from the Agency securing the photography.

ARIZONA

COMPILED BY

[illegible]

NOTE: ALL AREAS OUTLINED IN HEAVY BLACK LINE ARE UNDER CONTRACT FOR S.C.S., THE FOLLOWING AT 1:8,000; COCHISE, GRAHAM, AND PINAL; THE REMAINDER AT 1:20,000.

Photography not identified with the letters F or S was secured by the Commodity Stabilization Service

F - Secured by Forest Service

S - Secured by Soil Conservation Service

NP - No USDA Photography

49 - Year Photography of County Secured

 Outlines Partial County Coverage

 Area Under Contract For CSS unless otherwise designated by footnote.

Latest existing U. S. Department of Agriculture aerial photographic coverage is shown.

CSS photography secured at a scale of 1:20,000 with 8-1/4 inch or longer lens and on panchromatic film unless otherwise noted. Ratioed enlargements are available for practically all this photography.

Requests for information regarding CSS aerial photography in eastern and western states shown graphically below should be addressed to:

Western Laboratory
Performance Division
Commodity Stabilization Service
U. S. Department of Agriculture
167 West Second South, Salt Lake City 1, Utah

Eastern Laboratory
Performance Division
Commodity Stabilization Service
U. S. Department of Agriculture
Washington 25, D. C.

For information concerning SCS Photography, Address inquiries to:
Director, Cartographic Division, Soil Conservation Service, U. S. Department of Agriculture
Washington 25, D. C.

Inquiries and orders for Forest Service Photography in the western United States within the respective numbered regions as shown on the map to the right should be addressed to the Regional Forester, U. S. Forest Service as follows:

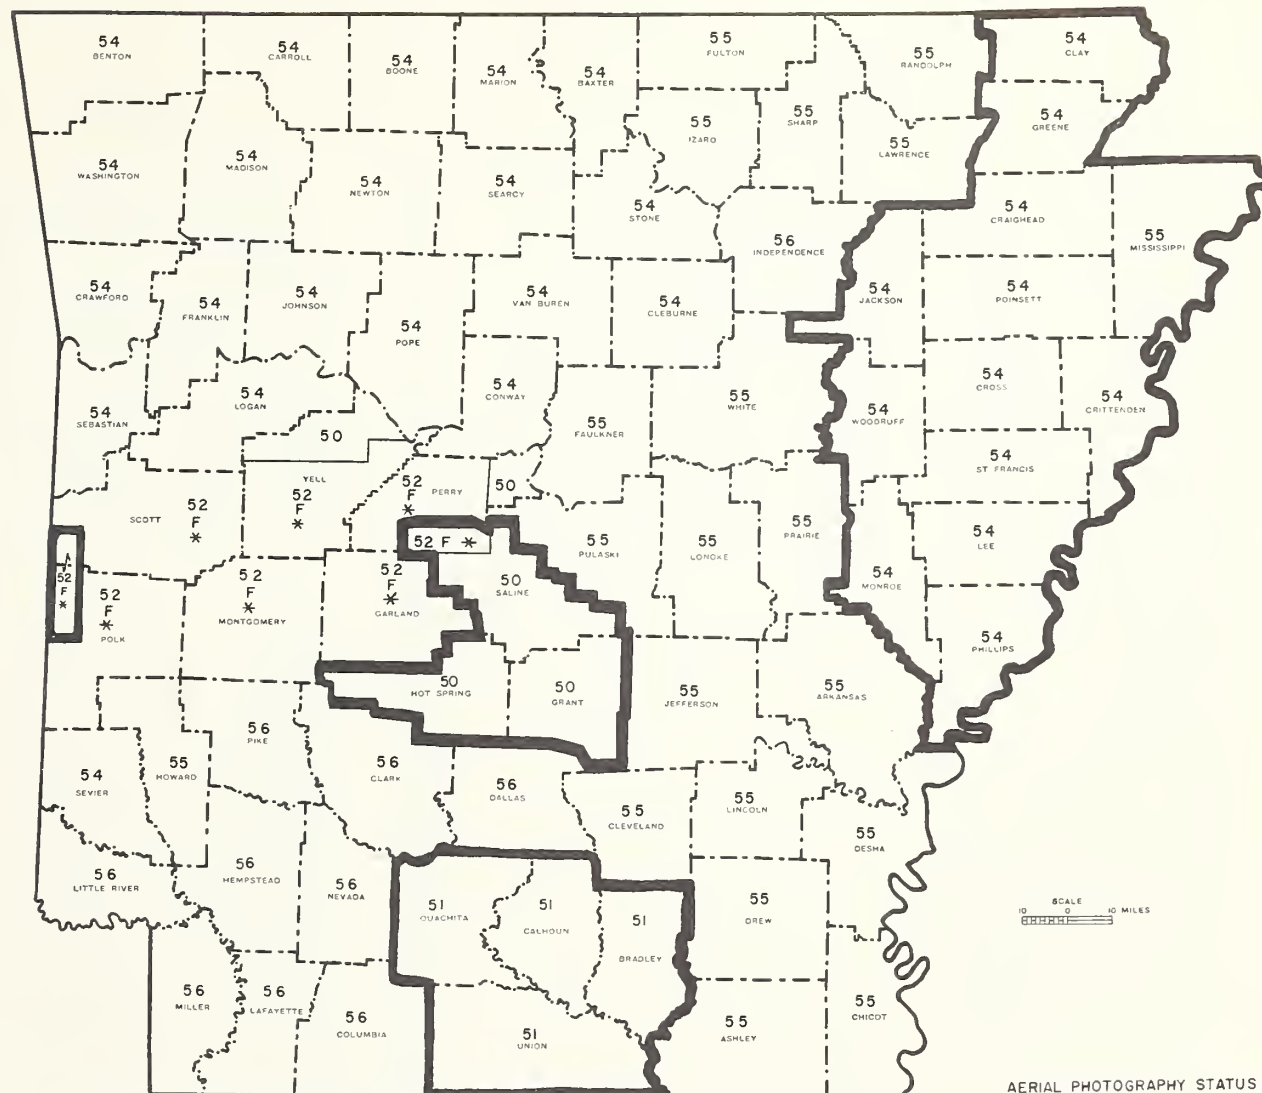

1. Federal Building, Missoula, Montana
2. Federal Center-Bldg. No. 85, Denver, Colorado
3. 510 Second St. N.W., Albuquerque, New Mexico
4. Forest Service Bldg., Ogden, Utah
5. 630 Sansome St., San Francisco 11, California
6. Post Office Box 4137, Portland 8, Oregon

For eastern United States, not shown on map at right, address: Chief, Forest Service, U. S. Department of Agriculture, Washington 25, D. C.

Older Photography than that shown is available in many instances. If such coverage is desired, inquiries about its availability may be directed to any of the Addresses shown above. Information concerning areas under contract may be secured from the Agency securing the photography.
